DEPARTMENT OF PUBLIC WORKS
BUREAU OF ENGINEERING

CITY OF LANCASTER Acceptance of Professional Fees for Capacity and Modeling Requests

Note: This form must be accompanied by 3 copies of a site sketch or map showing proposed connection to the City's water main(s) as well as 3 letters describing your request. If email is preferred please send the request to Bperwien@cityoflanasterpa.com. If you have any questions please call Ben Perwien at (717) 598-9013.

1. Developer/Owner Name: _____
2. Developer/Owner Address: _____
3. Developer/Owner Phone: _____
4. Authorized Representative: _____
5. Project Manager and Contact: _____
6. Engineering Firm/Consultant: _____
7. Project Name: _____
8. Project Address(es) (ALL): _____
9. Township of Project: _____

10. Water/Sewer Capacity Request: _____
(gallons per day) (pressure needed) (peak flow, gpm)

* All evaluations of available flow/pressure are made relative to the connection with the City's main.

**For Residential Properties: put 1 EDU =350 gpd for a family of 4

11. Type of Request:(circle) Residential Commercial/Industrial

* For commercial/industrial uses, provide a detailed description of the anticipated use - ie. Diurnal/
Weekly variation in demand, frequency of use, etc.

12. Fire Flow Capacity Request: _____
(gallons per minute) (static pressure) (residual pressure)

* Determinations of available pressure at the point of use (accounting for pressure losses in the service) are the responsibility of the customer.

All evaluations made relative to fire supply are provided for baseline design reference only.

13. County Account/Parcel ID# _____

14. Name/Address Bill Should be sent to: _____

My signature below indicates my understanding and acceptance that my company, or the client I have been designated to represent, will incur a charge that represents an hourly rate associated with the City of Lancaster's contracting of an outside consultant to perform water capacity modeling. This request is to determine if the capacity I am herewith requesting for the listed project is available from the City of Lancaster's Water and Wastewater Bureaus, and I/we are responsible for the costs associated with this determination, as well as costs associated with any flow test that may be required for this project (billed separately from City of Lancaster).

Signature: _____ Date: _____ / _____ / _____

Cc: Meters (Godin), File (Perwien), ARRO (Warfel/Liu)
