**** By City Code only contractors from this list may open a city street. ****

This is a list of contractors that have previously met the City's minimum insurance and bonding requirements and provided a guarantee of the work for a period of three years. These contractors are not approved or endorsed by the City and must meet the City's requirements at the time permits are obtained. Contractors not on this list may be used provided they comply with the same terms and conditions.

Bonding and Insurance Requirements for Fee Schedule Revision: (Ch. 262)
